

North Dorset II 52 v Puddletown 14

PUDDLETOWN went down to a heavy defeat at the hands of North Dorset Seconds in Dorset & Wilts One South.

The loss is the Villagers' third on the spin but coach Pete Gordon said: "Every member of the squad is rightly disappointed, in both performance and attitude.

"However, the spirit in the club is excellent and everyone is aware of the effort they need to put into this week's training.

"It is early in the season and we will certainly bounce back strongly after this wake-up call."

Dan Udell and Tom Bamlet both scored tries for the visitors, with the former converting both, but they fell some 38 points short of the home side's tally.
