

Puddletown RFC 2nd XV 8 v Weymouth RFC 2nd XV 57

The villagers 2nd string start to the season resulted in a resounding defeat at the hands of their local counterparts.

Weymouth, with strength in depth these days, were always in control of the fixture and Puddletown, following the early exchanges were in for a day of damage limitation.

To their credit, the home sides forwards gave their opponents a game in both the loose and tight aspects. Despite the visitors seemingly to have an endless number of substitutes!

However, Weymouth were smarter on the day and complete with their swifter young backs were able to score a total of 8 tries, 7 converted, plus a penalty for a comprehensive win and putting a marker down for the rest of the league.

Puddletown did manage an unconverted try for themselves, plus a penalty for some sort of consolation.
